OPEN-AIR ENDEAVORS

Four new reasons to spend summer outdoors.

COLORADO

Westworld fans should head to western Colorado, where a new experience at the 72-room **Gateway Canyons Resort & Spa** channels a loosely interpreted (and robot-free) version of Sweetwater, the HBO show's Wild West theme park. Spend a day skeet shooting, horseback riding, and sipping Moscow mules around the campfire, or hop in a Bentley convertible for the two-hour drive to Utah's Castle Valley, a **Westworld filming location**. *Westworld experience from \$999 per night (three-night minimum stay), available through September 30, 2018; Virtuoso travelers receive breakfast daily and a \$100 daily activity credit.*

WASHINGTON, D.C.

As part of a new offer at D.C.'s 145-room **Hay-Adams** hotel, children receive a clue-filled backpack upon check-in that sends them on an educational scavenger hunt around the city. On their **monument-hopping adventure**, they'll touch the moon at the National Air and Space Museum, find Kermit the Frog in the National Museum of American History, and more. Back at the Hay-Adams – across the street from the White House – completed missions earn special prizes. *Three-night package from \$1,245 for a family of four, including accommodations and breakfast daily; Virtuoso travelers receive a \$100 dining credit.*

FIJI

Bicolor foxface and clown blenny are among the 28 endemic species found along Fiji's Namena Marine Reserve, consistently ranked as one of the **world's best dive sites**. This hot spot for marine biodiversity is just a 40-minute boat ride away from the 25-room **Jean-Michel Cousteau Resort Fiji**, which recently introduced divers to Manta Mount, a newly discovered site known for its manta ray sightings. *Doubles from \$1,104; Virtuoso travelers receive breakfast daily and a \$100 resort credit. Namena excursions from \$30.*

FRANCE

Ease into your French Riviera getaway with a massage at the 44-room **Château Saint-Martin & Spa's** new La Prairie spa. The pampering can take place in one of five treatment rooms or alfresco beneath a wisteria-adorned gazebo overlooking the **Côte d'Azur** – complete with a glass of Champagne waiting for you afterward, of course. *Doubles from \$925; Virtuoso travelers receive a room upgrade (if available) at time of booking, breakfast daily, and a \$100 spa credit. Spa treatments from \$185.*
